

Talk and receive calls everywhere

- **Compatible with Jabra, Plantronics, Sennheiser**
- **Control phone through wireless headset**
- **Plug and play, Easy to use**

The new and advanced Yealink Headset Adapter EHS36 provides the technical interface between your Yealink T38G /T28P/T26P telephone and a compatible wireless headset. It is approved for use with major manufacture Jabra, Plantronics, Sennheiser wireless models.

The unit is easy to install, simply link EHS36 to the EXT port of the phone and, effectively 'plug and play' giving you control of your Yealink phone and the ability to answer and hang up calls remotely.

It has been especially designed to ensure maximum productivity in business applications such as receptions, call centers and general telephone use and is ideal for the Corporate, Financial, Health, Government, Educational, Industrial, and SME/SoHo market sectors.
